

Important Nova Scotia election update from Federal NDP Leader Jack Layton

On June 13th, Nova Scotians will go to the polls to elect a new legislative assembly. They will choose between Darrell Dexter's NDP and a Conservative agenda very similar to Stephen Harper's.

This is an extremely important election for you – no matter where you live in Canada. With your help, the NDP can win in Nova Scotia. That's right! This'll help the NDP win all across Canada.

So I'm writing to you today to urge you to make an immediate online donation of \$110 or more to the NDP campaign in Nova Scotia. Winning in Nova Scotia will help make gains for the NDP across Canada. The NDP is running strong in Nova Scotia under Darrell. We were the official opposition there before the writs were dropped, and we're looking to make historic gains now. I know Darrell's team can do it.

We have solid NDP governments already in Manitoba and Saskatchewan. The polls are looking good in British Columbia and the Yukon especially, and in all the other provinces too. If the NDP can do well in Nova Scotia, we will show that the NDP is the party with momentum. This will help us win all across the country.

Let's show all Canadians that the NDP can win — from coast to coast to coast!

There's a lot at stake in this election. The Conservatives there have cut the number of schools and the number of nursing home beds. We have to stop this!

Stephen Harper's supporting the provincial Conservatives. He needs more votes in Atlantic Canada to get a majority government in the next federal election. We can't let that happen.

The Nova Scotia election will show Canadians who has the momentum – the Conservatives or the NDP.

We can stop the Conservatives in their tracks.

The NDP got 30% of the vote in Nova Scotia in January's federal election — higher than in any other province. This is one of our greatest opportunities to get more NDP elected, provincially and federally.

So please make your donation of \$110 or more right to the Nova Scotia NDP, go to: http://www.ns.ndp.ca/?page=calc_contribute

Sincerely,

Jack Layton

Leader of Canada's NDP

Because this is a provincial election, the federal tax credit rules don't apply. Please don't let that stop you from being generous. But this is such an important time for the NDP across Canada.
