July 2008

Labour Day celebrations, September 1

Get ready for great Labour Day celebrations around the province! The Halifax-Dartmouth & District Labour Council is having a parade starting at 11 am at the South Commons Triangle (at the Willow Tree) in Halifax, followed by a BBQ with lots of fun for kids. The Cape Breton District Labour Council is hosting a BBQ picnic at 12 noon at the Sydney Boardwalk featuring food and music, games and face-painting for kids. The New Glasgow & District Labour Council event is still in the planning stages - we will send details out when they are finalized. For more info, call CLC Rep Tony Tracy @ 455.2965.

Per Capita Books

In this mailout we have included a per capita booklet. We had these printed a while ago and then our email address had to be changed. We would like to get new ones printed, but since we had so many of these, we felt it best to use these first.
