Retirees on the move...

The Nova Scotia Federation of Union Retirees (NSFUR) has been busy during the past year and they are pleased to announce a series of public meetings in the late summer, early fall.

The theme is "Building Security" and anyone is welcome to attend.

The public is welcome and of course we would like to see more union retirees.

Topics we will cover will include: identity theft and scams against seniors.

We are also going to be holding our first annual conference in October in Sydney on October 16th and 17th at the Days Inn, Sydney.
